

If heaven opened up and the stars  
shining like jewels,  
cascaded down upon us like rain, I'd gather all  
the jeweled raindrops,  
splash them upon my face just to capture the scent of  
your Innocence.®

Our child was so special that heaven kept them as angels.  
They were to pure for this world we live in.  
We will always treasure the memory of our angel  
Who was in our midst  
Only for a little while.

And all the angels everywhere...  
Hear our parent's love as it fills the air  
Day and night we say this quiet prayer  
"Lord, keep our children in your care."

Each life is infinitely precious...  
and we are richer for having been touched  
by each no matter how briefly.

Good night my angel, my sweet baby.
